Attention : Andrew Parsons

Dear Andrew,

What a treat you gave to twenty children who are in the care of Phutanang Safe Home and Soup Kitchen. It is not often that children are invited to a race day and certainly one that thrilled them all.

Thank you so much to ETR Nashua Yamaha for providing lunch and cold drinks to the children and their care-givers in the pit.

The Nashua Children's Charity Foundation assists more than 15000 children and we appreciate you helping us to make a difference.

Kind regards

Helen Fraser
