The Nashua Children's Charity Foundation

The above mentioned organization would like to thank Nashua for the wonderful outing to Red Star Raceway Track at Delmas on the 22nd August 2015.

The boys that attended the event were so excited and happy when they arrived at the racetrack. They really were not expecting what they saw and experienced on the day. It was really a memorable day, filled with so much joy. They spoke about the fast Yamaha and Swarovski bikes all the way back home.

The boys only get to see these races on television and it was such a pleasure to see them overwhelmed with excitement and scared at the same time, of being so close and hearing the adrenalin rush sound the bikes makes.

The refreshments, hot-dogs and chips the boys got to feast on was just a cherry on top that made the day extra ordinary and special for the boys.

May you continue doing the same for others, and God Bless You. Thank you.

Yours sincerely
Joyce Selepe
