

Andy Parsons  
ETR Nashua Yamaha Race Team

31 August 2015

Dear Andy

### Thanks from Kids Haven

Thank you for your involvement in the amazing outing that our boys went on last Saturday to Redstar Race Track. They had the most amazing time and thoroughly enjoyed the lunch and 'spoil' that your team gave them.

It was the first time that 22 of the 23 boys who came had ever been to Motorbike racing or even a race track. They were completely fascinated by everything. I have heard about the suits of 'armour' that the riders wear that 'stand up by themselves' and the excitement of the speed and the NOISE. The boys loved watching the 3 main superbikes lapping many of the riders on the circuit. I think that you can see from all these stories that they chatted and chatted and chatted about this experience. AND it was so close to our Centre in Benoni! Thank you so much for providing the outing of a life time.

Thank you for your support for the work that we do.

Kind regards

Susan Daly
